1.5 hours of instruction/drills
1.5 hours of play

The first 1.5 hours focuses on stroke mechanics, strategy, repetition, and physical fitness in a fast paced drill setting with a coach on hand.

The second 1.5 hours the kids have a chance to put their skills to the test in a play situation. This portion is unsupervised to keep the price down so it requires a certain level of maturity and discipline on the players part.
